

Players Skill Center

At Pace University Waiver & Release Form

I, _____ (print Name) hereby indicate my desire to have my child _____ (print Name) participate in the Players Skill Center (PSC) and use the equipment and facilities at Pace University, located on Pace's Pleasantville, New York campus between _____, 200_ and _____, 200_. My child's participation in PSC Summer Camp at Pace University and the use of the equipment and facilities is completely voluntary. In consideration for permitting my child to participate in the PSC Summer Camp and being permitted to use the equipment and facilities at Pace University, I agree to the following:

- 1.) To abide by all of Pace's applicable policies, rules, regulations and standards of conduct during and in connection with use of the equipment and facilities for the Precision Soccer Camp, including but not limited to parking and security policies. I understand that violation of these policies, rules, regulation and standards may result in my removal from the PSC Summer Camp and University's campuses, without refund.
- 2.) If _____ (print child's name) requires an accommodation due to a disability and or religious observances for full participation, I will follow the proper procedures for assessment and approval of such accommodation by the necessary administrative parties as reasonable. Such approval of accommodations must be granted prior to enrollment in the PSC Summer Camp. Except as had been confirmed to PSC Summer Camp in a writing attached to this release, _____ (print Child's Name) have no medical or psychological condition that would preclude or limit participation in any program, and _____ (print Child's Name) is not taking any medication that would impair ability to use the equipment or facilities or participate.
- 3.) I authorize PSC Summer Camp, it's employees, agents and representatives to act in any attempt to safeguard and preserve the health and or safety of _____ (print Child's Name) during participation in a program offered, including authorizing emergency medical treatment on my behalf and at my expense.
- 4.) I agree for myself, my heirs and my personal representatives, to hold harmless, and forever release and discharge PSC Summer Camp and all its officers, agents and employees from and against any and all claims, demands, actions or causes of action, on account of damage to personal property or personal injury which may result from participation in Precision Soccer Camps Programs and activities and incident thereto.
- 5.) I acknowledge that I have read this entire document and understand it's terms.
- 6.) This release shall be construed in accordance with, and governed by, the laws of the State of New York. Any litigation relating to this Release or the Event shall be conducted in a court of competent jurisdiction in the State of New York, county of New York.

OUR SPECIALTY CAMP

This summer, **Touch Em All Baseball & Precision Soccer** combine to offer their inaugural sports specialty camp. Our specialty camp gives each camper the opportunity to fine-tune their skills in a specific sport. Campers learn from an experienced staff of former professional players, as well as current college and high school coaches. We also have a full support staff of college players to provide proper demonstrations and provide excellent role models for the next generation of athletes. All of our specialty camps take place on the beautiful varsity athletic facilities at Pace University.

All specialty camps are co-ed for children ages 6-14. Campers may choose any of our 4 different specialties for the week. Campers **spend one-half of each day participating in their area of specialization and the other half of the day in planned recreational activities**, which includes athletic competitions in a variety of sports and a period of instructional swim. Specialize in one of our following concentrations this summer:

ATHLETIC DEVELOPMENT

Athletic development camp is geared towards children who enjoy athletics but need instruction in their overall techniques. The focus is on improving everything from basic motor development, eye hand coordination, speed and agility. Young athletes will build a base for future participation and success with a focus on friendship, sportsmanship and individual attention. A positive self-image in the world of athletics is the goal.

BASEBALL SPECIALTY

Whether your child is an All Star or just starting, this camp is designed to reinforce the fundamental skills young baseball players need to develop. Campers learn the important skills of hitting, pitching, throwing, fielding, base-running, and team defense from outstanding instructors. Each morning schedule combines both group and individual instruction. Each day, players are learning, playing, practicing, and having fun. Campers will be competing against players of their own ability.

INSTRUCTIONAL SWIM SPECIALTY

All participants will partake in daily intensive aquatic instruction geared to every level of swimmer. Whether learning to swim or preparing for an upcoming swim team season, all activities are overseen by a certified Water Safety Instructor and tailored to each swimmer's individual needs.

SOCCKER SPECIALTY

Our staff strives to create an enjoyable learning opportunity to help each camper improve as a soccer player. The focus of our camp is to increase each player's skill development and teamwork, while also improving their tactical awareness. Led by a highly qualified staff, each child will be challenged but not overwhelmed. A "games" approach to teaching individual technique will incorporate small-group tactics to further develop each player. Most importantly, the camp will strive to create an enjoyable atmosphere for learning and hopes to increase each participant's love for the game.

ATHLETIC SPORTS COMPETITION

An exciting new part of our already great camp is the introduction of our afternoon competitions. Campers will be divided into age appropriate teams and not only compete in their specialty but also compete in basketball, flag football, softball, tennis, volleyball and Ultimate Frisbee. All campers will actively compete in sports other than their specialty sports to increase their skill development and keep them physically active throughout the day. Campers work with campers from the other specialty camps and will develop leadership and communication skills while emphasizing social development and sportsmanship.

PSC SPECIALTY DIRECTORS

Phil Ciccone will direct the athletic development specialty. Coach Ciccone has a MS in physical education from Adelphi University and is a physical education teacher in the Fox Lane School District. At the collegiate level, Coach Ciccone was a stand-out Division I baseball player at Pace and is currently a coach with the Fox Lane Baseball Program.

Hank Manning is in his 9th year as Pace's Head Baseball Coach. He has been running instructional baseball camps at Pace since 2001 and will direct the baseball specialty camp. Coach Manning enjoyed a 6 year pro-career with the Chicago White Sox and has guided 7 players who have been drafted into Major League Baseball over the past 4 years. Recently Coach Manning was voted "Best In Westchester" for his baseball instructional camps.

Kate Palladino will provide programming for the Instructional Swim Specialty. Kate is currently the Aquatic Director at Pace and a certified Water Safety Instructor. Each year, she oversees a swim lesson program consisting of 1,500 children.

Mike Winn enters his 11th year running soccer camps at Pace and served 10 years as the head soccer coach for the Setters. During that time, he produced 6 All-Region and 10 All-Conference players. Winn was a 4 year member of the Men's Soccer Program at UMass-Amherst. Currently, Coach Winn is the Varsity Boys Coach at Fox Lane High School.
